

SKU: PCNSK

Non-slip Rubber Top Wooden Dolly

Rubber topped skate. Great for moving crates around the office or for the safe movement of desks and other furniture.

Category:

Product description

Non-slip Rubber Top Wooden Dolly

This handy dolly comes with a rubber top to limit any slipage and make it easier to move desks, furniture and boxes during removals and relocations.

Note: These are used products and will have signs of wear and tear from usage, but they are in full working order and fit for the purpose of transporting their contents. Please be aware there may be signs of previous branding and markings on the dollies (example in images).
