Product description

Bale Arm Plastic Box - 600x400x237 mm - Nestable, 45L - rent

Plastic Stacking box for rental with exterior dimensions of 600x400x237 mm and interior dimensions of 557x357x220 mm. The bale arm box is nestable and stackable, saving space and costs. The plastic storage container is equipped with a bracket, which ensures that loaded containers can be easily and firmly stacked. The side walls and base of the grey container is completely closed and has a capacity of 45L. The plastic container ensures that your products remain protected during storage and transport from dust, dirt and damage.

Placing goods in a long-order is a practical and efficient way for safely storing and transporting your products.
