Product description

C-KLT Plactic Stacking Box 4328 – 400x300x280 mm – 19L – rent

Plastic Stacking box for rental with exterior dimensions of 400x300x280 mm and interior dimensions of 334x247x236 mm. The containers weight is 3 kg. The carrying capacity is 50 kg and the maximum static load is 600 kg. The container is stackable, saving space and costs! The side walls and base of the blue stacking box are completely closed. The container for temporary transport has a capacity of 19L The box is very suitable for use in the automotive industry. The vertical ribs on the side walls make this plastic container very sturdy. The plastic container ensures that your products remain protected during storage and transport from dust, dirt and damage.

Placing goods in a stacking box is a practical and efficient way to safely store and transport your products.
