Product description

Car Tyre Storage Rack - 2343x1078x1207 mm - Collapsible, 550 kg Load Capacity - rent

Tyre racks for rental with dimensions of 2343x1078x1207 mm. The carrying capacity of this rack is 550 kg and its own weight is 80 kg. The tyre racks for trucks are coated with powder coating RAL 5010. The racks can be accessed from four sides with a forklift. The storage racks are collapsible and stackable. The tyre racks can be stacked up to 7 pieces high if they are filled with car tires for trucks. When the tyre racks are folded, the racks can be stacked up to 32 high. There are up to 6 straps in this rack. The racks are equipped with removable brackets and collapsible side walls. These racks are super efficient for storing tyres.

At Rotomrent you can rent tires, check out our extensive range here. Do you have any questions? Feel free to contact us!
