Product description

Danish Plant Container Trolley – 1350x565x1900 mm – incl. 3 Shelves, 350 kg Load Capacity- rent

Danish Flower and plant container for rental with dimensions 1350x565x1900 mm. The inner sizes of the base are 1270×540 mm. The weight of the base, four uprights and three shelves is 37 kg. The carrying capacity of the Danish plant cart is 350 kg with each shelf having a carrying capacity of 50 kg. This versatile cart can be used as a plant and flower container, but can also be used as a transport truck, storage truck or order pick container. The cart features a thermally galvanised steel frame and is equipped with standard 3 5-layer water-resistant plywood shelves with a galvanised metal collar. In addition, the shelves can be placed obliquely in the cart, allowing flowers and plants to be beautifully presented to shoppers.

The distance between the shelves can be changed from 5 to 180 cm, depending on the height of plants.
