Product description

Demountable Post Pallet Stacking Rack - 2025x1180x310 mm - Double Base - rent

Mobile metal stacking rack for rental with exterior dimensions of 2025x1180x310 mm and interior dimensions of 1850x1005x310 mm. The effective inner dimensions of this stacking rack are 1780x935 mm between the legs/tubes. This galvanized stack rack is scratch resistant, sturdy and rust-resistant. Moreover, this is the perfect solution for temporarily expanding your storage capacity. The unique design ensures that you always have quick access to the stored materials because the rack of 4 sides can be accessed. The weight of this stacking rack is 50 kg.

This Euro rack does not include stacking tubes. The tubes on the corners of this stack buck are available in multiple heights. Depending on this height, the carrying capacity varies between 1500 and 2000 kg per mobile rack.
