## Product description

# Large Dolly transport cart 1040x600x150 nylon wheels - for rent

Durable and maneuverable transport cart with a load capacity of 500kg. Four sets of wheels with a diameter of 100mm made of nylon provide low rolling resistance.

## Maneuverable and efficient

The use of four sets of swivel wheels ensures high maneuverability and maneuverability in small spaces. The 1040x600mm non-slip carrying surface provides a secure base for stacking plastic distribution containers or cardboard boxes.

## **Ideal for transportation during a move**

This largest platform cart on offer for rental is a staple in all office, school or warehouse removals. Thanks to its dimensions, it is the ideal carrier for cabinets, desks and other largest furniture and items.
