Product description

Dolly transport cart for transporting desks and tables - 780x480x880mm rubber wheels - for rent

Durable and maneuverable transport cart with a load capacity of 500kg. All four swivel casters with a diameter of 100mm made of rubber – they are quiet and suitable for delicate surfaces.

Turnable and efficient

The use of four sets of swivel casters provides high maneuverability and maneuverability in small spaces. The 740x480mm non-slip carrying surface provides a secure base for transporting desks and tables.

Ideal for transporting desks and tables.

Ideal for transportation during a move

.

This ergonomic platform cart is the basis in all removals of offices, schools or warehouses. Thanks to a special handle, it allows vertical transport of desks, tables and tops when their normal transport is not possible. The maximum height of the tabletop when placed on its side is 150 mm.

.
