Product description

Euro Plastic E2 Meat Crate - 600x400x200 mm - 40L - rent

Plastic Euro Stacking box for rental with exterior dimensions of 600x400x200 mm and inner dimensions of 570x370x195 mm. The box has a weight of 2 kg. The container is stackable, saving space and costs! The side walls and base of the red storage container are completely closed. The container for temporary transport has a capacity of 40L. The container is made of Virgin HDPE plastic and this storage crate is very suitable for storing and transporting meat products. The container can withstand temperatures from -30 °C to + 60 °C and meets the EHI and DIN 55 423 standards.

On a Euro size pallet, 48 pieces can be placed, the total height of the pallet is then 2400 mm.

Placing goods in a stacking bin is a practical and efficient way to safely store and transport your products.
