### **Product description**

## **Euro Plastic Stacking Box - 600x400x320 mm - 60L - rent**

Plastic Euro Stacking box for rental with exterior dimensions of 600x400x320 mm and interior dimensions of 555x355x315 mm. The weight of the plastic base is 2.7 kg. The container is stackable, saving space and costs. The side walls and bottom of the grey storage bin are completely closed. The container for temporary transport has a capacity of 60L. The container is made of PE plastic!

On a Euro size pallet 36 pieces can be placed, the total height of the pallet is then 2400 mm.

Placing goods in a stacking bin is a practical and efficient way to safely store and transport your products. At Rotomrent you can rent stack boxes, check out our extensive range here. Do you have any questions? Feel free to contact us!
