Product description

Foldable Plastic Pallet Box – 1200x1000x800 mm – 720L – rent

Plastic pallet box for rental with exterior dimensions of 1200x1000x800 mm and interior dimensions of 1120x920x660 mm. This perforated pallet box has a capacity of 720L and its own weight is 43 kg. The maximum carrying capacity of the plastic container is 750 kg. This pallet box is very suitable for use in the agricultural and industrial sector. In addition, these pallet boxes are also often used in the food industry. The box optimises transport and storage. In addition, this plastic box is collapsible and stackable, saving space. The boxes are safe to stack thanks to the specially developed foot and base interlock system. This system provides maximum stability during transport and stacking. The contents are protected as well as possible by the perforated walls with smooth surfaces. This pallet box is produced with high pressure polyethylene (PE-HD)
