Product description

Folding Plastic Crate – 600x400x180 mm – 38L, Used-rent

Plastic folding crate for rental with exterior dimensions of 600x400x180 mm and interior dimensions of 570x370x170 mm. The container is collapsible and stackable. In folded condition, the height of the folding crate is only 36 mm. The capacity of the container is 38.85L and its own weight is 1.65 kg. The maximum load capacity is 18 kg. The stacking height is 12 when the crate is unfolded. When the crate is folded, the stack height on a Europallet is 48 pieces or 260 pieces in total on a Euro pallet.

Placing goods in a folding crate is a practical and efficient way to safely store and transport your products. At Rotomrent you can rent plastic crates, check out our extensive range here. Do you have any questions? Feel free to contact us!
