Product description

H1 Hygienic Plastic Pallet - 1200x800x160 mm - Raised Edge, 1250 kg Load Capacity - rent

This plastic H1 Hygiene pallet for rental has dimensions of 1200x800x160 mm. This pallet suitable for the food industry and is characterised by a high quality material, reliability and firmness. The pallet is equipped with 3 skids and can be approached from 4 sides with a pallet truck and forklift. The pallet consists of a high quality HDPE plastic and is equipped with an open deck with a raised edge. As a result, products or plastic containers will not slip off the pallet. The dynamic carrying capacity is 1250 kg and the static carrying capacity is 5000 kg. The racking power is 1000 kg. In short, a very strong pallet, suitable for heavy loads! The weight of the plastic pallet is 18 kg.

This pallet is the most used pallet in the food industry! Packaging /pallets based on Euro size (1200x800 mm) ensure optimal use of space.
