Product description

L1C Lidded Crate - 400x300x306mm - 25 Litres

The L1C lidded crate is one of the smallest crates Rotomrent supplies and is often referred to as a 'locker crate', ideal for moving or storing personal belongings safely. The L1C crate is a heavy-duty plastic crate featuring integrated lifting handles and an interlocking lid. They are designed to store or move items that are A4 or smaller in size. eg. paper, brochures, magazines.

As standard, this product has:

- Built-in label holder
- Protected inset area for a permanent linear or 2D matrix label
- Textured areas on the lids and front profiles for temporary self-adhesive labels
- Protected RFID tag slot
- Flush lid nesting for minimal storage footprint.

Note: These are used crates and will have signs of wear and tear from usage, but they are in full working order and fit for the purpose of storage or transporting their contents. Please be aware there may be signs of previous branding and markings on the boxes (example in images).
