Product description

Laundry Roll Cage Container – 900x665x1660 mm – Folding Front Gate, 500 kg Load Capacity- rent

Laundry container for rental with dimensions of 900x655x1660 mm. This steel laundry roll container is equipped with a hinged front gate that is semi-foldable. The cage is completely closed and equipped with four metal mesh walls including a plastic lining. The plastic loading platform is supported by a heavy steel base frame, with a diameter of 25 mm. The rolling container sits on rubber wheels (diameter 150 mm), which ensures easy and fast transport. The weight of this mobile laundry container is 56 kg and the carrying capacity is up to 500 kg. There is the possibility of adding ID stickers/nameplates. This container is ideal for hospices, hotels, hospitals and laundries.

Placing goods on a roll container is a practical and efficient way for loading, unloading and safely transporting your products.
