Product description

Metal Dolly – 773x577x155 mm – For Nestable Boxes, Open Base – rent

Metal dolly for rental with dimensions of 773x577x155 mm. This transport truck is equipped with an open base with two swivel and two fixed wheels of 125 mm. The strong frame allows you to transport safe and secure boxes with this dolly. The undercarriage is suitable for nestable distribution containers such as lidded tote boxes or plastic bins. The dynamic carrying capacity of the dolly is 350 kg and the static carrying capacity is 500 kg. The weight of this trolley is 6 kg. Empty dolly’s / furniture dogs for temporary internal transport can be stacked to save space. Placing goods on a dolly is a practical and efficient way for safely transporting your products. With this dolly you are assured of a quiet and fast transport with a long life! At Rotomrent you can rent out various furniture dogs, check out our extensive range here.
