Product description

Pallet Pump Truck – 1150×550 mm – 2000 kg Load Capacity – rent

Comfort pallet pump truck for rental with a maximum lifting capacity of 2000 kg. The fork of the pallet truck has a length of 1150 mm and a width of 550 mm. The distance between the forks is 150 mm. The height of the top of the spoons in the lowest setting until the ground is 8cm. The own weight of the pallet pump truck is 58 kg. Very suitable for temporary internal transport in warehouse or production halls! The pallet truck is equipped with high-quality nylon wheels. The lever allows you to manually control the pump truck, lift pallets and lower them.

Placing goods on this pump truck is a practical and efficient way for the safe transport of your products. At Rotomrent you can rent out various pallet trucks, check out our extensive range here.
