Product description

Plastic Crate with Bale Arms - 1116x477x345 mm - rent

Plastic container for rental with dimensions of 1116x477x345 mm. The container is equipped with a nestable construction when not in use, saving storage space. The brackets on the sides make it easy to stack the boxes. The plastic container is equipped with smooth internal walls and therefore easy to clean.

Placing goods in plastic bins is a practical and efficient way for safely storing and transporting your products. At Rotomrent you can rent plastic stacks, check out our extensive range here. Do you have any questions? Feel free to contact us!
