Product description

Plastic Distribution Box with Lid - 600x400x275 mm - 45L, Nestable- rent

Plastic distribution box for rental with exterior dimensions of 600x400x275 mm and interior dimensions of 528x328x238 mm. The weight of the nestable container is 4 kg. The distribution box is nestable, saving space and costs. The PP plastic storage container is equipped with a two-piece hinged lid. This lockable lid means this box will protect against dangerous UN-type substances. The side walls and bottom of the stacking bin are completely closed. The lid box for temporary transport has a capacity of 45L. The plastic container with a lid ensures that your products remain protected during storage and transport from dust, dirt and damage.

Placing goods in a distribution box is a practical and efficient way to safely store and transport your products.
