Product description

Plastic Distribution Box with Lid - 600x400x374 mm - 60 L, Nestable- rent

Plastic distribution box for rental with the exterior dimensions 600x400x374 mm and interior dimensions of 527x400x335 mm. The weight of the nestable container is 2.5 kg. The plastic storage container is equipped with a two-piece hinged lid. This lockable lid uses this lid box as protection against dangerous UN-type substances. The side walls and bottom of the stacking bin are completely closed. The lid box for temporary transport has a capacity of 60L. The plastic container with a lid ensures that your products remain protected during storage and transport from dust, dirt and damage.

Placing goods in a distribution box is a practical and efficient way to safely store and transport your products.
