Product description

Plastic Dolly - 615x415x175 mm - Open Base, 250 kg Load - rent

Plastic dolly for rental with dimensions of 615x415x175 mm. This transport truck is equipped with an open base with four 100 mm swivel wheels, consisting of a PP rim and sound-dampening TPR tread. The temperature range of the wheels is - 6 °C to + 80 °C. The strong frame allows you to transport safe and secure bins with this dolly. The undercarriage is suitable for nestable distribution boxes and Euro plastic containers with dimensions 600x400 mm, two boxes of 400x300 mm can also be placed per layer. The carrying capacity of the dolly is 250 kg. The weight of this trolley is 3.5 kg. Empty dollies / furniture dogs can be stacked to save space.

Placing goods on a dolly/undercarriage is a practical and efficient way for safely transporting your products. With this dolly you are assured of a quiet and fast transport.
