Product description

Plastic Dolly with Grid Base - 610x410x150 mm - Red- rent

Plastic dolly for rental with dimensions of 610x410x150 mm. This dolly is equipped with a gridded base. The strong frame allows you to transport boxes safe and secure with this dolly. The undercarriage is suitable for nestable plastic bins or crates with dimensions of 600x400 mm (Euro containers). The carrying capacity of the dolly is 300 kg and the weight of this trolley is 4 kg. Empty dolly's / furniture dogs for temporary internal transport can be stacked to save space. The upright collars of the dolly ensure that the goods do not slide off the dolly during transport. Moreover, this dolly is suitable for use in hygienic environments and easy to keep clean!

Placing goods on a dolly is a practical and efficient way for safely transporting your products.
