Product description

Plastic Mounting Corner for Pallet Collars

Plastic corner for pallet collars, available for rental. These corners provide a stacking nook meaning several pallets can be stacked on top of each other with pile collars. The corners are easy and quick to place and provide a stable base to stack walling. The blue corners are durable and made of sturdy Polypropene (PP) plastic.

Placing goods on a pallet with a set collar is a practical and efficient way for loading, unloading and safely transporting your products. At Rotomrent you can rent out various pallets and set collars. If you have any questions about the rental and rental of our products, please contact us without obligation!
