Product description

Plastic Pallet Box - 1200x1000x980 mm - BulkPak System - rent

BulkPak pallet box for rental with exterior dimensions of 1200x1000x980 mm and interior dimensions of 1113x912 mm. The carrying capacity of the plastic box is 900 kg, making this pallet box suitable for heavy loads. The plastic transport container is collapsible, saving space during storage and return transport. The plastic container is very suitable for transport and protection of parts for the automotive industry. The container offers an alternative to heavy metal bins or wooden boxes. The pallet box is equipped with large doors, so you can easily take your products out of the box. Due to the multiple available compositions and heights, the BulkPak pallet box is very functional! The box can be customised almost completely customer specificity.
