Product description

RL -KLT Plastic Box - 400x300x147 mm - 10L - rent

Plastic container for rental with dimensions of 400x300x147 mm. The weight of the blue box is 1.3 kg and the capacity is 10L. The strong plastic container has stacked feet at the bottom, these counter tilt the bin. The reinforced base makes the bin very suitable for the heavier industry such as the automotive industry. The container consists of PPC material and is 100% recyclable. The container has closed handles, is UV stable and easy to clean. Meets the VDA-4500 standard.

Placing goods in plastic boxes is a practical and efficient way for safely storing and transporting your products. At Rotomrent you can rent plastic boxes, check out our extensive range here. Do you have any questions? Feel free to contact us!
