Product description

Screen Protector - 450x460x170mm - up to 32" Monitor

Screen Protectors are designed for the safe moving, packing, and transport of computer monitors/screens. The new extra large SPR is designed to protect flat screen monitors up to 32". These quilted SPR's feature velcro straps for quick and easy secure covering and sewn in synthetic fiberboard inserts for added protection.

These are ideal for IT and office moves and are complimented by the IT3 and IT6 computer crates during such moves. The new extra large SPR provides plenty of extra space for the larger screens.

These products have been specially designed and we have worked closely with our clients to get the specifications tailored to the needs of the removals industry.

Dimensions: H 45cm x L 79cm x D 19cm

Designed to fit flat screen monitor up to 32"

Note: These are used products and will have signs of wear and tear from usage, but they are in full working order and fit for the purpose of transporting their contents safely. Please be

aware there may be signs of previous branding and markings.
