Product description

Stack and Nest Box - 600x400x400 mm - 70L - rent

Plastic turning stack for rental with exterior dimensions of 600x400x400 mm and inner dimensions of 490x332x395 mm. The plastic stack and nest box has a closed base and side walls and two open handles. The container has a capacity of 70L and its own weight is 2.9 kg. The plastic boxes are stackable and when this Stacking box turns 180°, they are nestable. This can save a lot of space during transport or storage when not in use. Moreover, useful for the food industry. Ideal for temporary internal transport.

Placing goods in plastic bins is a practical and efficient way for safely storing and transporting your products. At Rotomrent you can rent out Rotom stack boxes, check out our extensive range here. Do you have any questions? Feel free to contact us!
