### **Product description**

## **Stack and Nest Tray - 600x400x200 mm - 35L - rent**

Plastic stack and nest box for rental with exterior dimensions of 600x400x200 mm and inner dimensions of 490x332x195 mm. The plastic rotary tray has a closed base and side walls and two open handles. The container has a capacity of 35L and its own weight is 1.75 kg. The plastic bins are stackable and when this Stacking box turns 180°, they are nestable. This can save a lot of space during transport or storage when not in use. Ideal for temporary internal transport.

Placing goods in plastic bins is a practical and efficient way for safely storing and transporting your products. At Rotomrent you can rent out Rotom stack boxes, check out our extensive range here. Do you have any questions? Feel free to contact us.
