Category: Pallets, Wooden pallets,

Product description

Wooden Block Pallet – 1200x1000x162 mm

This wooden block pallet for rental has dimensions of 1200x1000x162 mm. This heavy pallet has a dynamic carrying capacity of 1250 kg and a static carrying capacity of 2500 kg. The europallet is therefore suitable for heavy load and extremely functional. The pallet is equipped with an alL -round underdeck and can be approached from 4 sides with a pallet and forklift. The own weight is 26 kg. The block pallet has 9 top boards, 3 lower boards and 3 intermediate boards. Packaging and pallets based on the collomodular ISO pallet size (1200×1000 mm) ensure optimal use of space when used together in transport and storage.

Placing goods on a pallet is a practical and efficient way for loading, unloading and safely transporting your products.
