Category: Internal Transport, Dollies and Rolling Platforms,

Product description

Wooden Dolly with Non-slip Coating - 720x480x150 mm - rent

Wooden dolly for rental with dimensions of 720x480x150 mm. This transport truck is equipped with a completely closed platform of wood with blue polyester non-slip upholstery lining. Due to the non-slip upholstery, goods will not easily slip off the dolly. The strong frame also allows you to transport stable and safe boxes with this dolly. The dolly is suitable for nestable plastic bins or crates with dimensions of 600x400 mm (euro standard containers). The carrying capacity of the dolly is 350 kg and the weight of this trolley is 4 kg. Empty dollies can be stacked to save space. The chassis is equipped with four white Polypropylene (PP) swivel wheels, making the furniture dog suitable for temporary transport during removals or moving large objects.
